

In order to support this project, we have created an identification "product" through which everyone can take an active part. We have made a "puzzle" composed of 1,000 pieces, each for the small yearly contribution of **CHF 30.-**, enabling us to **help more than 10,000 people**. If you contribute to a puzzle piece, your name will appear on the website. At the end of the year we will send you a nice calendar that month after month will remind you of what we are doing with your help. With 1,000 supporters the project can fund itself and remains sustainable in time. Our commercial sponsors provide for the printing of the calendar.

You can help to complete the puzzle by making a donation right here on the website (link on the left) or paying in the amount you wish to give [on our account](#) (see link), with the indication "Puzzle project" as the reason for payment.
